

# Upskilling, Reskilling and Lifelong Learning

First Session

Country / Regional Experience

## Highlights

**futureskills**  
A NASSCOM initiative

- The global digital transformation market is expected to grow more than 400% by 2025.
- By 2023, no less than 54% of all employees will require significant re-skilling and upskilling.
- Talent is the new competitive advantage of companies and nations.
- Skilling needs an ecosystem alignment.

### Navanit Samaiyar

Head - Future Skills Growth and Learner Success NASSCOM, India

برنامج تنمية  
القدرات البشرية

- eLearning is a basic enabler and a promising solution for lifelong learning.
- eLearning should continue, will continue, and will also enable collaboration between different institutions within the Kingdom, that can provide national and international courses.

### Anas Al-Mudaifer

CEO Human Capability Development Program

**LIFELONG  
LEARNING  
PLATFORM**  
EUROPEAN CIVIL SOCIETY FOR EDUCATION

- Investment in people and access to lifelong learning opportunities are as important as investment in digital technology.
- Ensure digital innovation feeds into innovative teaching and learning methods.

### Brikena Xhomaqi

Director of Lifelong Learning Platform - European Civil Society Education, Brussels (Belgium)
